

PUD No. 2 of Pacific County Presents...

“What does saving energy look like to you?”

Poster Contest

Winning posters will be selected for the PUD Calendar!*

Guidelines:

- Drawings should capture the child’s idea of energy saving methods in their home
- Must be an original flat design and may be either color or black-and-white in any medium such as crayons, colored pencil or felt pens
- Copyrighted characters such as, Mickey Mouse, Garfield, etc., may not be used
- One entry per student, with students **NAME, AGE, CITY & PHONE #** on back of poster (Open to children ages 5-12 residing in Pacific County)
- Posters must be returned to a PUD office no later than **May 2nd, 2019**
- Poster paper, contest rules and idea page can be picked up at a PUD office
- Judging Criteria is based on: Energy Saving Methods Displayed, Neatness, Legibility, & Originality
- Please note, posters will not be returned to the student after the contest is complete & *may be used as future promotional/marketing material
- Winners will be contacted via phone call
- **Poster submission signifies acceptance that child’s name and information will be published publicly**

PUD No. 2 of Pacific County Presents...

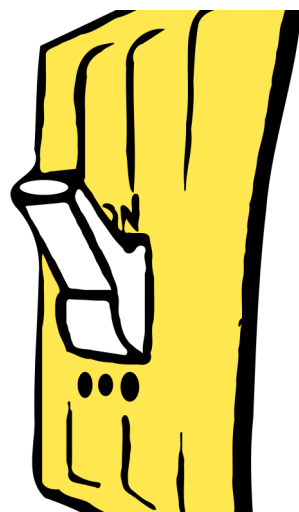

Energy Saving Ideas for Kids!

Turn off lights when you leave a room!

Read a book instead of watching television!

Keep your showers short! Think about using a timer to remind you to get out!

Unplug devices after they are fully charged & unplug chargers when they are

Try not to leave the refrigerator door open too long! It will take more energy
