

As your Commissioners of Public Utility District No. 2 of Pacific County (PUD), we have agreed to enable the PUD to transition to a four ten-hour day work week (4-10) effective Monday, July 16th, 2018. The new office hours for the Willapa Operations Center in Raymond and the Peninsula Operations Center in Long Beach will be 7am – 6pm, Monday – Thursday and closed Fridays.

By switching to a 4-10 work week, the PUD will be open an hour earlier and an hour later, thus allowing customers to conduct business with the PUD during the week without having to take time off work to do so. We apologize for any inconvenience this may cause on Fridays, but believe in the long run, 4-10 will allow the PUD to operate more efficiently and help the PUD maintain lower electric rates.

Dedicated PUD employees work hard to provide safe, reliable, low cost electrical power to the customer-owners of the PUD, 24 hours a day all year long.

Yours Truly,

Mike Swanson, President
District 1 Commissioner

Diana Thompson, Vice President
District 2 Commissioner

Dick Anderson, Secretary
District 3 Commissioner
