

RESOLUTION NO. 1462

**A RESOLUTION ADOPTING UPDATES TO
THE INTERCONNECTION OF ELECTRIC GENERATORS**

WHEREAS, the Board of Commissioners of Public Utility District No. 2 of Pacific County, Washington adopted the current Interconnection of Electric Generators Policy under Resolution No. 1346 on January 21, 2014; and

WHEREAS, the District allows customers to connect to the system using alternative generation so long as the policy guidelines are adhered to and associated fees are paid; and

WHEREAS, the District updated the cost to apply for alternative generation connection with a size of 0-25 kW in the codified fee schedule to \$250 but did not include this update in the policy; and

WHEREAS, the cost to the District to evaluate the connection of a 26-199 kW alternative generation connection is much greater and the District must account for the evaluation of the larger system; and

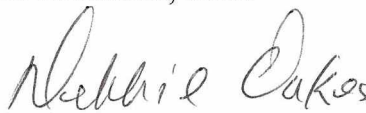

WHEREAS, the District sets the fee for application of an alternative generation connection of 26-199 kW at \$750.00; and

WHEREAS, the new fees associated with this policy will be codified in the Fee Schedule of the District's Code Book.

THEREFORE BE IT HEREBY RESOLVED by the Board of Commissioners of Public Utility District No. 2 of Pacific County, Washington, that the updated Interconnection of Electric Generators (attached hereto and by this reference made a part hereof) be adopted and effective immediately.

BE IT FURTHER RESOLVED that all previous resolutions or parts of resolutions in conflict herewith be and the same are hereby repealed.

APPROVED AND ADOPTED by the Board of Commissioners of Public Utility District No. 2 of Pacific County, Washington, this 6th day of December, 2022.
