

Pacific County Public Utility District

♥ PROJECT WARM HEART ♥

Once again the days are getting colder and the heating bills will be going up as homes are heated for the winter months. Project Warm Heart is to help low income citizens with their electric bill.

In recognition of the need this time of year, we are working to increase public awareness of the Project Warm Heart fund set up by your Public Utility to help households who need help with their heating bills. Just think, a dollar from each ratepayer would produce over \$17,500 for the program. All monies collected go directly to help the less fortunate in Pacific County.

You can help by becoming a part of this program with a donation. We can arrange to include the amount of your monthly contribution in your P.U.D. bill. Another option, for your convenience, is a one-time donation. Just use the coupon below to indicate how you would like to donate to this worthwhile program.

If you already contribute on your monthly bill—you do not need to fill this out. Thank you.

♥ PROJECT WARM HEART - KEEP HOMES WARM ♥

The program provides emergency assistance to those people who cannot afford to pay their heating bill. By making this arrangement, **I understand the dollar amount indicated below will be itemized on my future billing statements until I request otherwise.** Please indicate amount you want added to your bill each month or as a one-time donation.

\$1/month \$2/month \$5/month Other \$/month _____ One Time \$ _____

Name _____

Cust. Acct. Number _____ Address _____

Signature _____ Phone _____

Thank You For Your Donation!
